Bus stations in West Yorkshire

West Yorkshire bus stations, live departure information, facilities and location.

Metro manages 25 bus stations and bus points in West Yorkshire

Over the past 14 years Metro has refurbished or renewed 13 of its bus stations converting nine of them to the Drive In Reverse Out layout.

Drive In Reverse Out (DIRO) bus stations segregate passengers from buses removing any need whatsoever for them to be in the same area as moving vehicles. DIRO bus stations are recognised as superior in many ways to drive-through stations where passengers have to cross carriageways to catch buses and use the facilities.
