## My bus - school transport

Metro's revolutionary 'My bus' yellow bus scheme, providing dedicated school transport. For details of my bus services please visit [generationm.co.uk](http://generationm.co.uk), our website for younger passengers.

Our fleet of 150 brand-new custom vehicles provide dedicated home-to-school transport for over 9,000 pupils at 133 schools across West Yorkshire.

Metro is now investigating the possibility of introducing some of the key features incorporated in the 'My bus' scheme into mainstream education transport services for pupils across Bradford, Calderdale, Kirklees, Leeds and Wakefield.
