## SAFEMark awards for schools

SAFEMark is an awards scheme for secondary schools, which rewards schools who take public transport and travel to school seriously.

To achieve a SAFEMark award, school must sign up to a set of agreed standards, such as using school bus monitors, while Metro provides a range of free teaching resources and posters.

Schools participating in SAFEMark enjoy benefits such as:

- Improved behaviour on school buses and train journeys
- Reduction in staff time spent reacting to problems
- Productive partnerships with local bus companies
- Raised pupil awareness of sustainable transport.
