MetroLocal

MetroLocal provides essential bus services within the community, linking shops, post offices, supermarkets and community centres where regular bus services can not serve.

These services are also known as 'hopper' buses, where the bus stops where you want it to - providing it is safe to do so - and operate a flat fare of £1.00 per adult (50p per child) per journey.

With the exception of service 258, all MetroLocal buses are identifiable by their red and white livery, the same as MetroConnect buses.
