This booklet highlights the main changes to West Yorkshire's public transport network on

Saturday 28, Sunday 29 and Monday 30 April 2012.

Full details about all the changes shown in this leaflet can be found a **week before the changes start**.

New timetable leaflets for each service are available at **local staffed bus and rail stations**, by calling **MetroLine on 0113 245 7676** or from Metro's website at **www.wymetro.com/changes**

Changes in Bradford, Keighley and South Wakefield areas

In October 2011 Metro reviewed the network of subsidised local bus services in the above areas to:

- Ensure the West Yorkshire bus network meets current and future needs.
- Ensure value for money for the subsidy Metro provides to the network.

We did this by asking local people and representatives about their views on the current network, if the existing bus network was providing the right services for people within the area and to places such as health and leisure facilities and shops.

Metro and West Yorkshire's bus operators have worked together to deliver a bus network that best meets these needs.

Details of all the changes are shown in this leaflet.

This guide replaces Public Transport Changes edition CT-64, dated January 2012.

Information accuracy

Every care and attention has been taken to ensure the accuracy of the information within this publication. Metro accepts no responsibility for any inconvenience caused as a result of alterations or inaccuracies.

Important ticket information

Many bus services will be changing operator. If you hold an operator-specific ticket such as Arriva Day, FirstDay, K-Day, FirstWeek or K-Card you will not be able to use these tickets on services run by the new operator.

So why not chose one of Metro's multi-operator tickets? Our popular bus-only products are shown below.

MetroDay

Travel the whole day and as many times as you like on most of West Yorkshire's buses. Ask the bus driver for a MetroDay ticket on the very first bus you board.

A MetroDay ticket costs just **£5.20 for adults**.

Bus-only MetroCards

Bus-only MetroCards allow virtually unlimited travel and are valid on most of West Yorkshire's buses.

MetroCards are sold at staffed bus and rail stations. Weekly and Monthly versions are also available at Post Offices.

	Adult	Child	
Weekly	£21.00	£9.00	The Child version requires the holder to be in possession of a Young Person's or Scholar's PhotoCard.
Monthly	£80.00	£33.00	
Quarterly	£235.00	-	
Annual	£815.00	-	

Concessionary fares

The full range of Metro Concessionary fares for children, young people, seniors and people with disabilities are still available on all services, whatever the operator.

For more details of multi-operator tickets in West Yorkshire, including tickets that include combined bus and rail travel, visit **a staffed bus or rail station**, call **MetroLine on 0113 245 7676** or visit **www.wymetro.com**

M Metro. Here to get you there

We're reissuing our train timetables from Monday 14 May 2012.

There are no significant changes to services through West Yorkshire from those introduced in December 2011; which included:

- New Monday to Friday peak-time journeys between Ilkley, Skipton, Doncaster and Leeds.
- Additional seating capacity with more seats every day across most of West Yorkshire's rail network.
- Improved connections at Carlisle for the early morning Monday to Friday journey between Leeds and Carlisle.

However some slight changes, journey improvements will be introduced as follows:

East Coast

There are no major changes to East Coast services, bar some minor retimings to certain journeys.

During the Olympic and Paralympic Games, East Coast will be running two additional trains between West Yorkshire and Leeds in the early morning for the start of the Games, returning late evening after the Games.

If you are travelling to and from either the Olympic and Paralympic games by train for more information visit www.nationalrailgamestravel.co.uk or www.london2012.com/travel

Northern

On Mondays to Fridays:

- The **0553 Carlisle to Leeds service** will be retimed to depart earlier from Carlisle at 0550 and stations to Settle to enable the service to call at Garsdale. Between Settle and Leeds the times of the service are unchanged.

Northern (continued)

- The **2213 York to Leeds service** will be retimed to depart York earlier at 2209 in order to call at **Church Fenton at 2222**. Times for this service between Micklefield and Leeds are unchanged.

On **Saturday evenings** a new **2111 York to Leeds via Harrogate journey will be introduced** calling at all stations, arriving in Leeds at 2214.

Engineering work

At weekends, and sometimes late evenings during the week, train services have to be altered to allow essential engineering work to be carried out. When replacement buses run, **they may not always run from directly outside the rail station**, and journey times will increase.

Information is available in advance by calling one of the train operators, calling **National Rail on 08457 48 49 50** or visiting www.nationalrail.co.uk

Nearer the date, please check '**Changes to Train Times**' posters displayed at stations.

Leeds - Harrogate - York

During 2012, Network Rail will be updating signalling equipment between Harrogate and Horsforth. The work will also include an upgrade to Rigton Level Crossing and the demolition of the signal boxes at Horsforth and Rigton.

On **Sundays 05, 12, 19, 26 September; 02 and 09 September 2012**, trains will operate between York and Harrogate with replacement buses operating between Leeds and Harrogate.

Work will also be taking place along the route on **Saturday 27 and Sunday 28 October 2012**.

Leeds - Skipton - Morecambe/Carlisle

One early October weekend (weekend to be confirmed) services between Leeds, Skipton, Lancaster, Morecambe and also those to Settle and Carlisle will be affected due to trackwork renewal work in the Hellifield Rail Station area.

Grand Central services

On **Saturdays from 30 June until 08 September 2012**, services will be diverted between Wakefield Kirkgate and Doncaster and will not call at Pontefract Monkhill. A replacement bus between Pontefract Monkhill and Wakefield Kirkgate will connect with services.

On **Sundays from 16 September until 02 December 2012** the **0755 Bradford Interchange to London Kings Cross** services will be diverted between Bradford Interchange and Wakefield Kirkgate, with a rail replacement bus serving Halifax, Brighouse and Mirfield.

Bradford Interchange Sunday services

Sundays between 16 September and 21 October 2012 the route between Bradford Interchange and Halifax will be closed for maintenance of Bowling Tunnel.

Northern's services will operate as follows with connecting **rail replacement buses between Bradford Interchange and Halifax / Huddersfield:**

- **Leeds to Bradford Interchange.**
- **Halifax to Manchester Victoria** with some early morning and late evening services operating to and from Leeds.
- **York to Blackpool North services** will be diverted between Leeds and Halifax.

Grand Central services will also be affected by this work.

Sunday services between Huddersfield and Manchester

Network Rail has now started major engineering projects on the line between Huddersfield and Manchester Piccadilly which **mainly affects the Sunday service** on this route until Sunday 24 June 2012.

First TransPennine Express services are operating via the Calder Valley with a reduced westbound frequency of two trains each hour between Huddersfield and Manchester.

Eastbound Manchester to Leeds services, except for some early morning journeys, will not call at Huddersfield

Customers for Huddersfield will need to travel to Dewsbury and change there for a connecting train service back to Huddersfield.

Northern services between Huddersfield and Manchester Victoria are also affected by this closure. An hourly rail replacement bus service is in operation between Manchester Victoria, Stalybridge and Huddersfield calling at all stations, except at Marsden and Slaithwaite where the buses call at designated stops in the village centres.

Advance Information

TransPennine North Route Disruption

Between **Saturday 27 October and Sunday 04 November 2012** train services will be subject to significant alteration while the route through **Stalybridge Rail Station is closed** to install and test the new signalling equipment.

This will also affect some services on the route between Manchester Victoria and Leeds via Hebden Bridge.

Further details of this work and the effect on train services will be **available during September** at staffed stations and also from National Rail Enquiries.
