about dita

connecting people and places in the dales

Are you interested in getting a better transport service for the Dales?

- Are you happy with the public/community transport services in your area?
- Is it when you need it, affordable, accessible?
- Would you like to know more about car sharing and car clubs?

Whether you live or work in the Dales, run a business or you are just visiting the area, we need your help to get better transport. The Dales Integrated Transport Alliance (DITA) is a new community-led group of local people, working in partnership with a variety of organisations. We have some Government funding over the next three years to help improve transport in the Dales.

Your views are important

You can play an important role with DITA. By listening to your ideas to create better and more joined up services in rural towns, villages and remote areas, we can:

- reduce the numbers of car journeys
- make a positive difference to the environment with reduced pollution, traffic noise and carbon emissions
- ...and you may be able to save money

Call the Information Hotline

Flexible Bus Services in Craven

North Craven Taxibus

The North Craven Taxibus is an eight seat minibus operating Monday to Friday from 0830 to 1630, providing transport in the Ingleton, Clapham and Bentham areas of Craven. We can pick you up at home or at any place of your choice.

South Craven Village Bus

The South Craven Village Bus operates Monday to Saturday between 0900 and 1445 covering the Cross Hills, Lothersdale, Farnhill, Sutton, Bradley and Cononley area.

Unlike a conventional bus service a flexible bus service does not operate to a fixed route or timetable. Instead, passengers must pre-book their journeys; the route and times will vary according to their needs.

Our services are operated by a small number of regular drivers who provide a friendly personal service. We aim to complement and enhance the existing public transport network and not to compete with it.

The charges for these services are similar to local bus services. Concessionary bus passes are accepted.

**Call Little Red Bus on 01524 262753
or 01423 526655 to book your seat
or to find out more.**
