Changes to Train Services

Engineering work sometimes affects weekend services and passengers are advised to check with National Rail Enquiries on **08457 48 49 50** (24 hours) before travelling, or visit the web site at www.nationalrail.co.uk. The information shown in this timetable is subject to alteration, especially at weekends and around public holidays.

Tickets

Before you board the train

At staffed stations you must have a valid ticket or pass for your journey. This is a legal requirement which applies

when the ticket office is open. When boarding at unstaffed stations, you must buy your ticket on the train unless you already have a valid ticket or pass.

Buying your ticket

You can buy your ticket from station ticket offices, quickfare ticket machines and some travel agents. If your journey starts at a station where no staff are in attendance, you can buy your ticket from the conductor on the train. Please purchase a ticket for the journey you are making as you risk prosecution if you travel without a valid ticket or pass.

Through ticketing is available from the National Rail network to the **Keighley & Worth Valley Railway, and to Leeds Bradford International Airport** using the 757 bus link from and to Leeds station.

Disabled Travellers

The train operators will do all they can to assist with your journey. See contact details above.

Taxis from Stations

At all main stations there is a taxi rank outside the station from which taxis are normally available. At many other stations there is a taxi rank or cab office nearby. To find out more information to assist your journey you can download the Traintaxi guide from the Internet at www.traintaxi.co.uk This gives information for all stations on the national rail network, including names and contact details of cab firms to enable pre-booking.

Smoking Policy

All trains and stations are now designated as "no smoking" areas throughout. Please respect other passengers' rights to enjoy a smoke free environment.

Ribblehead Viaduct Walk

The closure of the Settle - Carlisle line for further engineering work from Friday 10 to Monday 27 July 2009 inclusive has provided the opportunity for another walk across Ribblehead viaduct on Sunday 26 July 2009. Admission to the event will be by pre-paid ticket only. More details will be available at www.settle-carlisle.co.uk/news.

The Friends of the Settle Carlisle Line also offer history tours of the Ribblehead area (without crossing the viaduct) on Wednesdays in July and August, commencing from Ribblehead station at 1025 and 1315. Tours connect with train times. The Friends also have a busy programme of guided walks from the line throughout the year.

Listen on the Line

Northern Rail and FoSCL have developed what is believed to be a unique venture for railways in this country with the Settle - Carlisle railway a trailblazer in new technology. There is now an MP3 audio guide for the journey between Settle and Carlisle in both directions. The MP3 files can be downloaded free of charge at www.settle-carlisle.co.uk/download_audio.cfm.

Middleton Railway, Leeds

Two miles south of Leeds city centre, adjacent to the M621 junction 5, and established by the first British railway Act of Parliament in 1758, the Railway has operated continuously since that time and can claim to be "the world's oldest working railway!" It also played host to the first commercially successful, revenue earning, steam locomotives which entered service in 1812. In 1960 it was the first standard gauge railway to be taken over by a preservation society. Passenger services run from Moor Road, Hunslet Leeds LS10 2JQ to Middleton Park/South Leeds Stadium each weekend and Bank Holidays from Easter to Christmas, hauled by steam and diesel locomotives.

Open Saturdays, Sundays and Bank Holidays with extended times for special events.
