The West Yorkshire Guide to Cross Boundary Bus & Train Services

This leaflet explains where your Metro prepaid or concessionary pass is valid when you are travelling on buses or trains that cross the boundary from West Yorkshire into East, North or South Yorkshire, Greater Manchester or Lancashire. It shows the cross boundary services and the approximate locations to and from which West Yorkshire's ticketing conditions apply.

Please note that Metro prepaid and concessionary passes are not valid on special event services. MetroCards are valid for travel on MetroConnect summer services from West Yorkshire to the Yorkshire Dales.

Cross boundary travel by bus

Senior and Disabled English National Concessionary pass holders benefit from free local bus travel throughout England between 0930 and 2300 on Mondays to Fridays and all day at weekends and public holidays.

In addition, **Metro Blind English National Concessionary** pass holders, within West Yorkshire benefit from **free travel in West Yorkshire at any time. This does not apply in other areas.**

Blind and Disabled **companion passes**, also entitle a companion to the same travel concession as the holder for **journeys that start or finish within West Yorkshire only**. On journeys wholly outside of West Yorkshire, the companion will be required to pay the full fare.

MetroCards, MetroDay, West Yorkshire DayRovers and concessions for young people and scholars only allow travel in West Yorkshire. The only cross boundary prepaid ticket is the MetroMaster, which is for bus-only travel throughout West and South Yorkshire.

Cross boundary travel by train

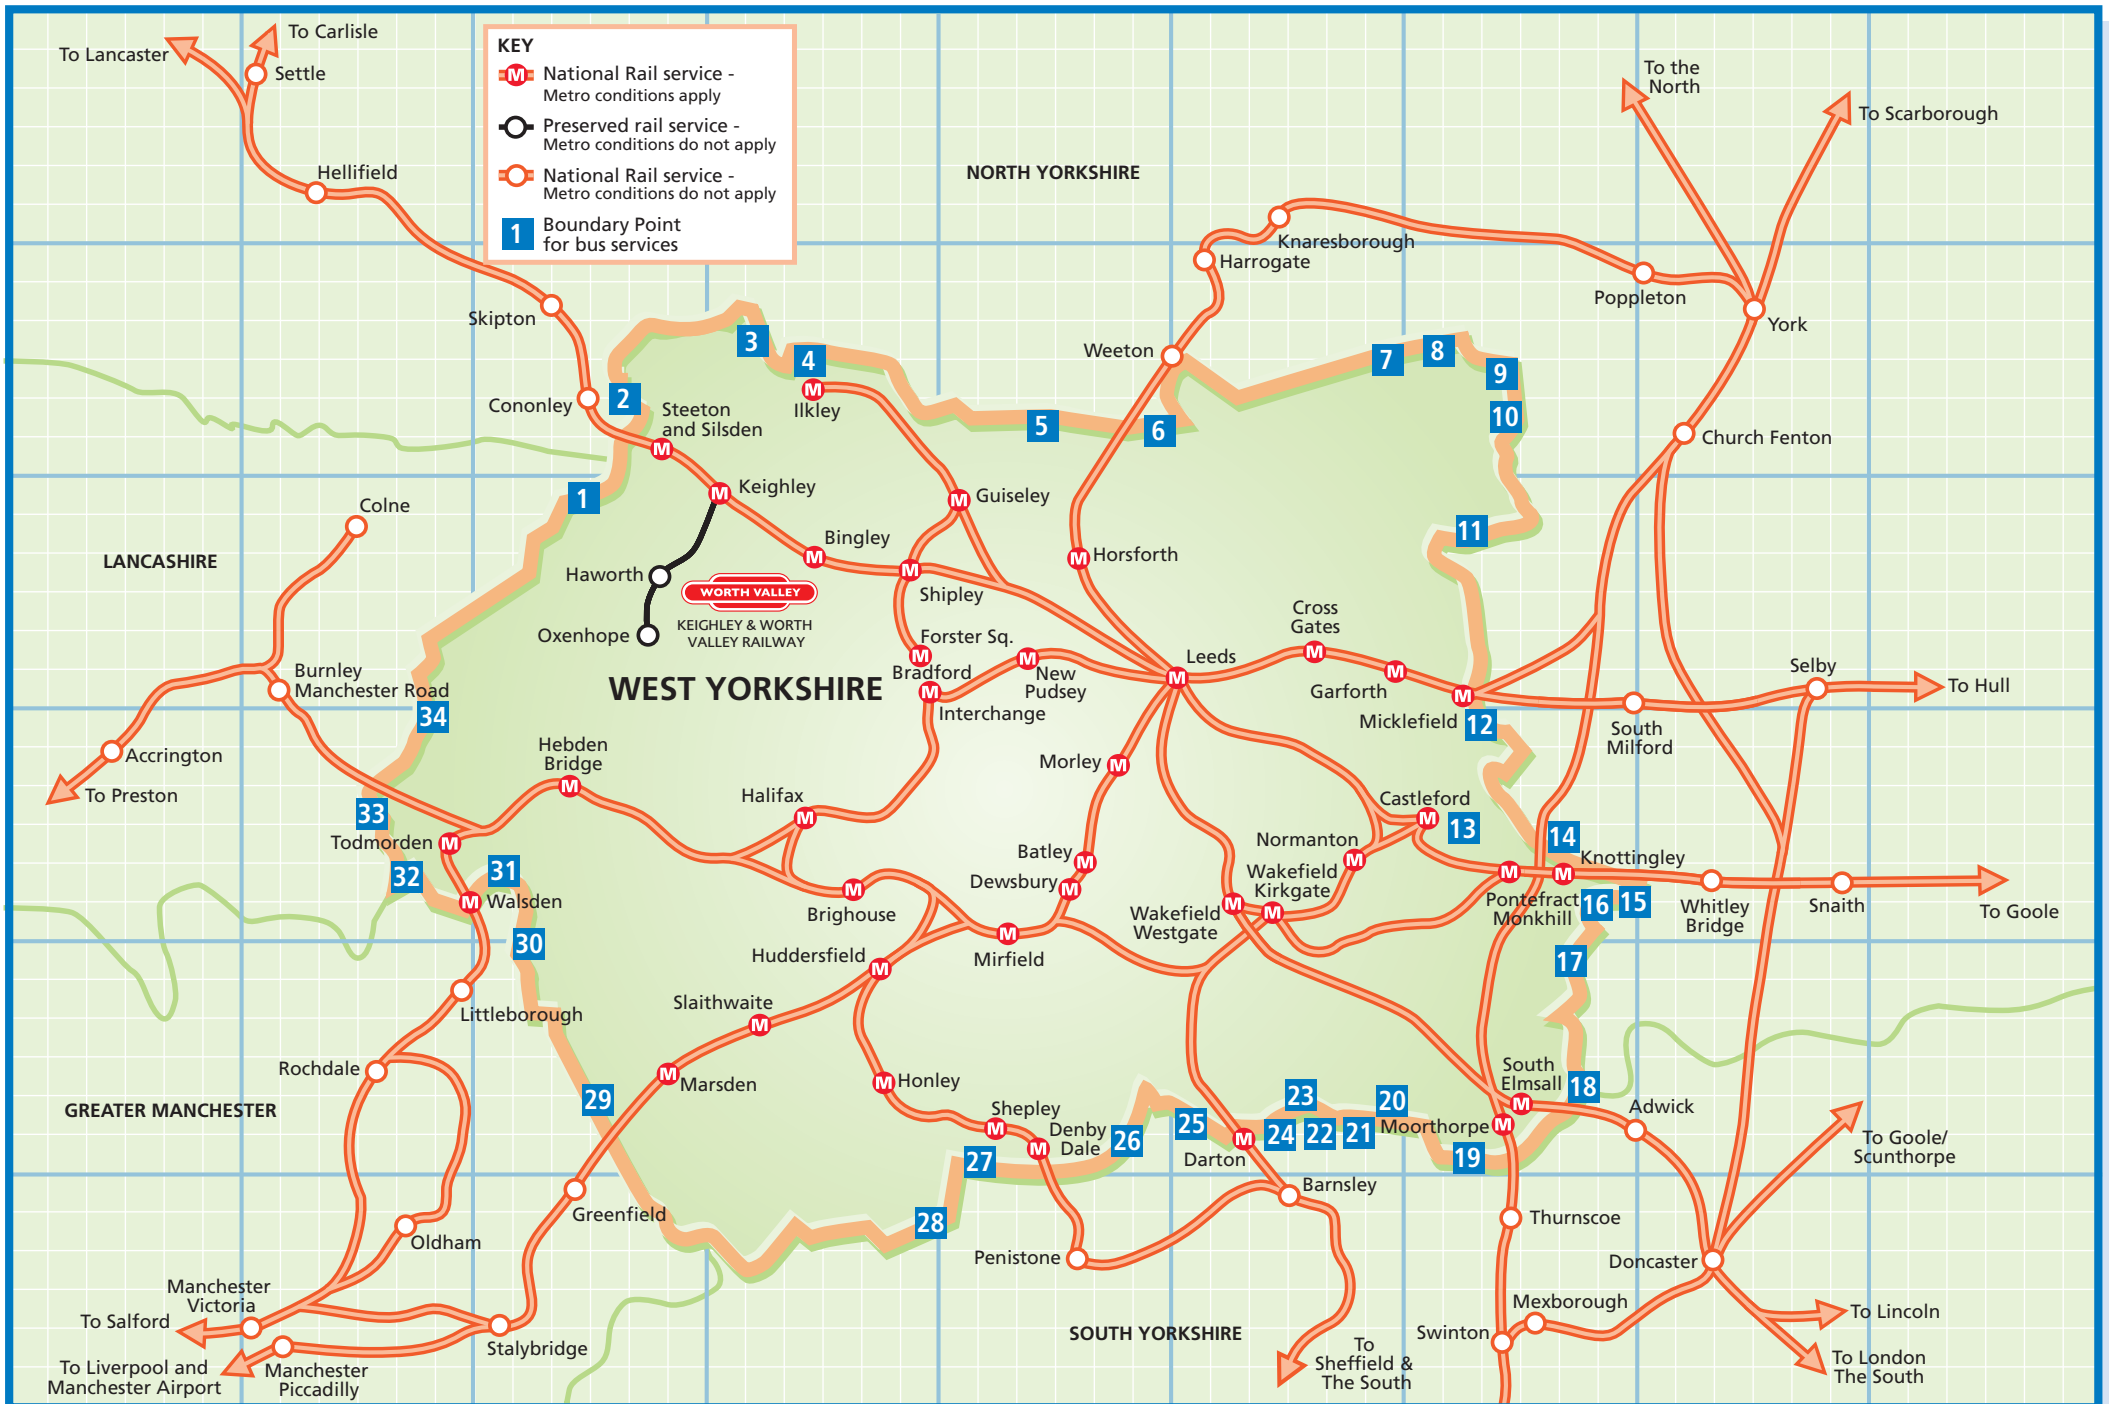

Train travel outside West Yorkshire will be charged at full fare. If you want to travel to/from points outside West Yorkshire on the train you must ask to pay the additional fare **at the start of the journey** (at the ticket office if your journey starts at a staffed station).

This will be the full adult fare for the non-West Yorkshire section of your journey (unless you show entitlement to reduced fare or a valid ticket for that section when paying). If you do not pay the combined fares at the start of the journey, you will be charged the full adult fare for the entire journey.

Please note that on trains, fares may be combined only to and from a station at which your train makes a **scheduled stop**.

Where a passenger holds two or more zonal tickets in combination or one is a rail season ticket and one is not, then the train does not need to call at the station where they change from one ticket to the other. **Please note that these combinations of tickets do not apply to services operated by CrossCountry, East Midlands Trains or East Coast.**

This leaflet replaces leaflet CB-08, dated October 2009.

Shows selected rail stations only - please refer to Metro's 'West Yorkshire Rail Network' guide for all stations in West Yorkshire.
