Corporate MetroCard

For companies interested in helping their employees get a good deal on regular travel.

Metro promotes easy access to all the buses and trains in West Yorkshire through MetroCard.

What are the benefits?

MetroCard is a pre-paid travelcard giving virtually unlimited travel on buses or trains and buses in West Yorkshire (different options available). Benefits include:

- Valid on the services of nearly all operators
- Time-saving, just get on and show your pass
- Highly cost-effective
- Valid at any time of day

The Corporate MetroCard Scheme offers up to 15% off the regular price of a MetroCard. You will just need a minimum of five participating employees to be eligible.

The scheme also works well if you operate an advance-of-salary or interest-free loan scheme, allowing employees to pay back the cost through payroll deductions. There are no taxable benefit implications and it means that employees don't have to find the lump sum up front.

Your participation in Corporate MetroCard could save an employee over £100 per year (based on bus and all rail zones MetroCard, 15% discount).
