Local rail service disruptions

Details of scheduled engineering work affecting local rail services in West Yorkshire.

Metro has been informed of the following timetable alterations affecting local rail services in West Yorkshire.

Full timetable information on the following is available from [Northern's](#) website or call [National Rail Enquiries](#) on 08457 48 49 50.

Page last updated: Monday 8 March 2010.

Airedale Line

From 1300 on Saturdays 13, 20, 27 March until 1500 on Sundays 14, 21, 28 March 2010 the line will be blocked between Lancaster and Carnforth, with trains unable to access Carnforth station on the middle weekend. Leeds - Morecambe trains on Saturdays 13 and 27 March 2010 will terminate at and start from Carnforth with connecting buses between Carnforth, Lancaster and Morecambe. The 1019 Leeds - Heysham Port train will terminate at Lancaster with a connecting bus between Lancaster, Morecambe and Heysham Port.

Leeds - Morecambe trains on Saturday 20 March 2010 will terminate at and start from Bentham with connecting buses between Bentham and Morecambe. Carnforth passengers should travel via Morecambe. The 1019 Leeds - Heysham Port train will terminate at Lancaster with a connecting bus to Heysham Port. The 1315 Heysham Port - Leeds train will start from Bentham with a replacement bus between Heysham and Skipton. Journey times involving buses will be extended. No Leeds trains are affected on any Sundays.

Work in the Carlisle area all day on Easter Sunday 4 April 2010 will prevent trains from Leeds and Newcastle serving Carlisle station. Leeds - Carlisle trains, also the 0836 Blackpool North - Carlisle and 1739 Carlisle - Blackpool North trains, will terminate at and start from Armathwaite with connecting buses to and from Carlisle involving extended journey times.

On Saturdays 8 May, 12 June and 10 July 2010 as a result of the provision of music trains, the 2100 Ribbleshead - Skipton train will depart at 2110 and be extended to Leeds arrive 2218, calling Shipley only at 2205. The 2148 Skipton - Leeds train will be retimed to depart at 2201 and run later to Leeds, providing a connection at Skipton for intermediate stations.

Caldervale Line

On Sundays 7 February to 28 March 2010 inclusive, owing to engineering work on the Calder Valley, York - Blackpool trains will terminate at and start from Halifax every hour with connecting buses between Halifax and Blackpool North every 2 hours and to and from Hebden Bridge only alternate hours. The full hourly York - Blackpool North service will resume from Easter Sunday 4 April 2010. Leeds - Manchester Victoria trains will run between Leeds and Halifax, Todmorden and Manchester Victoria only, with connecting buses between Halifax and Todmorden. Journey times involving replacement buses will be extended. Details are included in the current Metro Caldervale Line timetable.

All day on Sunday 14 March 2010 the line will be blocked between Leeds and Micklefield. Huddersfield/ Halifax - York local trains will therefore terminate at and start from Leeds at advertised times with replacement buses between Leeds and York calling intermediate stations. Journey times involving buses will be extended.

All day on Sundays 14 and 21 March 2010 the line will also be blocked between Hebden Bridge and Manchester Victoria. Buses already replace trains between Halifax and Todmorden. These will be extended to run between Halifax and Manchester Victoria, be retimed from those advertised in the timetable, and replace trains between Todmorden and Manchester Victoria. Journey times involving buses will be extended.

On Sunday 21 March 2010 until 1020 the line will be blocked between Church Fenton and York. Early morning trains will terminate at and start from Micklefield with connecting buses between Micklefield and York. Buses will depart from York earlier than advertised at 0810 and 0915. Journey times involving buses will be extended. Trains affected are 0831 Bradford Interchange - York, 0906 Halifax - York, 0850 and 0952 York - Halifax.

On Tuesday to Friday 23 to 26 March 2010 the 0547 Hebden Bridge - Leeds train will start from Halifax at 0603, with two replacement buses from Hebden Bridge to Halifax, one at 0515 connecting into the train and one at 0545 arriving Halifax at 0625, both calling at Mytholmroyd and Sowerby Bridge.

On Mondays to Thursdays 29 March to 1 April, 19 to 22 April, and 31 May to 3 June 2010 due to overnight maintenance between Bradford and Leeds, the 2320 Manchester Victoria - Leeds train will be diverted from Bradford Interchange (reverse) via Brighouse non stop to Leeds arriving later at 0115 next day. This train is not advertised to make any calls between Bradford Interchange and Leeds.

On Sunday 2 May 2010 owing to a major blockade in the Leeds Whitehall area most lines west of Leeds station will be blocked until 1600. Leeds - Halifax/ Huddersfield via Bradford trains will be replaced by buses throughout. York - Blackpool North trains will be diverted via an alternative route to Hebden Bridge not calling at New Pudsey, Bradford Interchange and Halifax, but calling additionally at Brighouse, with connecting buses between Leeds and Brighouse. Leeds - Manchester Victoria trains will start from and terminate at Bradford Interchange with connecting buses from and to Leeds calling at Bramley and New Pudsey. The 2254 Manchester Victoria - Leeds train on Saturday will also terminate at Bradford Interchange. Journey times to and from Leeds will be extended.

Owing to work at Bramley on Saturdays and Sundays 8/9 and 15/16 May 2010 the line between Leeds and Bradford Interchange will be blocked all weekend. York - Blackpool trains will run throughout but be diverted via alternative routes between Leeds and Halifax not calling at Bradford Interchange and New Pudsey but calling additionally at Brighouse. Connecting buses will run between Halifax and Leeds serving intermediate stations.
