## Tenders: Pre-qualification questionnaires

Pre-qualification questionnaires are designed to provide Metro with the information required to assess an applicant's suitability to be included in the list of tenderers for projects. Metro carries out a thorough, objective evaluation based on its own criteria.

Questionnaires can be accessed using Metro's tendering system, VAULT. This is part of a complete tendering package called DELTA, run by BiP Solutions Ltd.

You must register at [www.delta-ets.com](http://www.delta-ets.com) and click the 'Register Now' button. Follow the instructions and register in the drop down box as a supplier. You will receive a username and password from BiP which will allow you to log in to the system.

Tenderbox access codes are shown below for current tenders.

If you have any problems please email [chris.brooks@wypte.gov.uk](mailto:chris.brooks@wypte.gov.uk)
