Getting to Manchester International Airport

Manchester International Airport, Manchester, M90 1QX, is one of the UK's leading domestic and international gateways.

Excellent bus and rail links make it easy to get to the airport using public transport - which means no parking fees!

The Station, the Airport's dedicated transport interchange, is open 24 hours and links trains, coaches and buses into one building. It is connected to all terminals by Skylink moving walkways, lifts and escalators.

Manchester Airport website gives detailed information on arriving and departing - you can even build and print your own personalised travel guide for [getting to and from the airport](#) (link opens in a new window).
