Leeds Country Way

Let the owl be your guide around the varied countryside of Leeds

The Leeds Country Way is a 62 mile circular waymarked route, taking you on a tour of the beautiful and varied countryside in the Leeds area. It can be started at any point along the way and can be walked in either direction. You are guided by owl way markers at various points of the route.

Leeds Country Way is split into four main sections, each end of which links to a bus or train route, so it's easy to get around using public transport.

Leeds Council website has a series of downloadable leaflets giving further details on these scenic walks.
