Planned engineering, roadworks & events affecting bus and train travel

Planned engineering or roadworks can affect bus and rail services. Where possible we do our best to notify you of these.

[Train travel disruptions](#)

Disruptions to bus travel

Current disruption incidents can be found on our [Bus Alerts page](#)

Scheduled roadworks in West Yorkshire are produced weekly, on a Thursday, and published in pdf format. You need [Adobe Acrobat Reader™](#) to view or print them.

Visit our Bus Travel web pages for more information on West Yorkshire [bus service routes and timetables](#).

Planned roadworks, closures and special events

Details of upcoming road works or road closures that may affect bus services.

- [Bradford: roadworks, road closures and special events \(pdf\)](#) opens in a new window
- [Calderdale: roadworks, road closures and special events \(pdf\)](#) opens in a new window
- [Kirklees: roadworks, road closures and special events \(pdf\)](#) opens in a new window
- [Leeds: roadworks, road closures and special events \(pdf\)](#) opens in a new window
- [Wakefield: roadworks, road closures and special events \(pdf\)](#) opens in a new window

Disruptions to rail travel

Engineering work can affect weekend, late night mid-week, and bank holiday services.

[Check our National Rail feed for current alerts and upcoming engineering works](#) or call National Rail on 08457 48 49 50.

[Rail replacement buses](#) often run during engineering work, but not always directly outside rail stations - check before you travel.
