## Disruptions information for operators

[Disruptions to rail travel](#)

[Disruptions to bus travel](#)

Planned engineering or roadworks can affect bus and rail services. Where possible we do our best to notify you of these.

### Disruptions to rail travel

Engineering work can affect weekend and Bank Holiday services.

[Check for rail alerts and scheduled engineering](#) on National Rail's website.

[Rail replacement buses](#) often run during engineering work, but not always directly outside rail stations - check before you travel.

For the most up-to-the-minute information on railway engineering and disruptions, visit the [National Rail website](#) or call 08457 48 49 50.

### Disruptions to bus travel

Information on scheduled roadworks in West Yorkshire is updated weekly, on a Thursday, and published in pdf format. You need [Adobe Acrobat Reader](#)™ to view or print them.

Visit our Bus Travel web pages for more information on [bus service routes and timetables](#).
