

North Kirklees Core Bus Routes

These are the main bus routes in the North Kirklees area.

The core bus services in the area are listed below. They are all frequent (operating every 15 minutes or less) and run on a profitable basis with no support from Metro.

These bus services provide excellent links between key settlements. The routes are unlikely to change in the future though Arriva may decide to make some changes to evening service frequency.

This network is used by the majority of bus passengers.
