

The West Yorkshire Guide to Cross Boundary Bus & Train Services

Bus and train journeys often cross boundaries into North, South and East Yorkshire as well as Greater Manchester or Lancashire. So, it is important, when using buses and trains that you understand the conditions which apply to West Yorkshire tickets so you can travel with ease wherever your journey takes you.

MCards, MetroDay, West Yorkshire DayRovers and concessions for Under 16s and 16-18 year-olds, are valid for travel only within West Yorkshire and cannot be used on special event services.

However, MCards are valid on MetroConnect summer services from West Yorkshire to the Yorkshire Dales.

Cross boundary travel by bus

Senior and Disabled English National Concessionary Pass holders benefit from free national bus travel throughout England and local travel within West Yorkshire, between 0930 and 2300 Mon – Fri and all day at weekends and public holidays. These Passes cannot be used on special event services.

In addition, **Metro Blind English National Concessionary Pass** holders, within West Yorkshire benefit from **free travel in West Yorkshire at any time. This does not apply in other areas.**

Blind and Disabled **companion passes**, also entitle a companion to the same travel concession as the holder for **journeys that start or finish within West Yorkshire only.**

On journeys wholly outside of West Yorkshire, the companion will be required to pay the full fare.

MCards, MetroDay, West Yorkshire DayRovers and concessions for under 16 and 16 - 18 year-olds only allow travel in West Yorkshire.

Cross boundary travel by train

If you want to travel cross boundary by train, full fare applies to the part of the journey outside West Yorkshire (unless you show entitlement to a reduced fare or a valid ticket for that section). You must pay the additional fare **at the start of your journey** (at the ticket office if your journey starts at a staffed station) otherwise you will be charged full adult fare for the entire journey.

Please note fares may be combined only to and from a station at which your train makes a scheduled stop.

If you have two or more zonal tickets in combination or one is a rail season ticket and one is not, the train does not need to stop at the station where they change from one ticket to another.

Please note

You cannot use these combinations of tickets on services operated by CrossCountry, East Midlands Trains, Virgin Trains or Virgin Trains East Coast.

This leaflet replaces CB-11 dated March 2017.
